

Advanced women's healthcare...focusing on Obstetrics, Gynecology & Infertility

June 22, 2026

To My Patients at Coastal Bend Women's Center,

I am writing to let you know that my role at Coastal Bend Women's Center will be changing effective August 1, 2026. I will be transitioning to a new role within our practice as a hospitalist and will no longer be seeing patients in an office setting.

It is my sincere hope that you will remain as part of the Coastal Bend Women's Center family, transferring care to one of the Providers here. Each of them is dedicated to providing comprehensive, compassionate care and will continue to serve your healthcare needs. There is no need to worry about transferring medical records, as your records will remain within our practice and will be readily available to your new provider.

Thank you for allowing me to be a part of your family's journey. Caring for you has been one of the greatest privileges of my career. I am deeply grateful for the trust and confidence you have placed in me over the years, and I wish you continued health and happiness.

If you have any questions during this transition, please call my receptionist at ext. 7208 or nurse at ext. 7272 for further assistance.

With warmest regards,

Sandra I. Noriega, M.D.
